FURNCSR
well-being and competitiveness

*The FURNCSR project aims to provide EU furniture sector companies with guidelines to deploy **Corporate Social Responsibility (CSR) and Shared Value** and thus get to their specific and highest benefits*

 furncsr.eu

FURNCSR expects to generate the following outcomes:

- A classified and integrated series of **practical CSR guidelines** to deal with some of the sector labour market main problems.
- An innovative online tool to allow companies to **self-evaluate their readiness for the CSR solutions** identified.
- A **pilot assessment** of the self-evaluation online tool in which a selected number of companies from different EU countries will participate.
- An inventory of **knowledge and skills that employees need** to acquire for allowing companies to successfully implement CSR and Shared Value practices, and recommendations on how to foster and deploy these practices.

Implementation period: 01/04/2021 - 31/03/2023
